Public Invited to MDOT Consolidated Transportation Program Meeting

2026-09-23

Source: frederickcountymd.gov

FREDERICK, Md. – The public is invited to attend a meeting to share feedback with State officials regarding transportation and transit needs in Frederick County.

The meeting will take place on Wednesday, September 30, at 6 p.m. at Winchester Hall, 12 E. Church Street in Frederick.

Representatives from the Maryland Department of Transportation (MDOT) will be in attendance to share information and receive feedback regarding the recently released draft Consolidated Transportation Program (CTP) for Fiscal Years 2027 – 2032.

The CTP is Maryland’s six-year capital budget for transportation projects and programs.

The current draft of the CTP invests in safety improvements along U.S. 15, Frederick County’s top transportation priority.

The project is crucial to improve safety and operational issues along one of Frederick County’s most used roadways.

The upcoming meeting is open to the public and no RSVP is required.

Several Frederick County Transit options serve Winchester Hall. The 51 and 61 Connectors serve Market Street and Church Street, less than two blocks from Winchester Hall.

The 40, 50, 60, and 65 Connectors, and the Brunswick/Jefferson, North Frederick, Emmitsburg/Thurmont, East Frederick and Route 85 Shuttles operate nearby. For additional information, visit www.FrederickCountyMD.gov/Transit.

For those who cannot attend in person, the meeting will be broadcast live at www.FrederickCountyMD.gov/FCGTV and on Comcast channels 1072 and 19.
