Celebrating 10 Years of techfrederick In 2026, techfrederick proudly celebrates 10 years of building, connecting, and championing Frederick County’s technology community. What began as a vision to unite local tech leaders has grown into a thriving network of innovators, educators, entrepreneurs, students, and advocates working together to shape the future of our region. Over the past decade, we’ve launched impactful programs, strengthened workfor  
ce pathways, supported policy conversations, and created meaningful opportunities for connection. Now it’s time to celebrate! Our 10-Year Anniversary Celebration will bring together the people who made this milestone possible — our members, partners, sponsors, students, volunteers, and community leaders. The evening will feature: Networking with Frederick’s tech and business community Networking with Frederick’s tech and business community Reflec  
tions on the past decade Reflections on the past decade A look ahead at what’s next for techfrederick A look ahead at what’s next for techfrederick Special recognitions and moments of celebration Special recognitions and moments of celebration This event isn’t just about looking back. It’s about honoring the relationships, innovation, and momentum that will carry us into the next decade.
