Techie Awards

Recurring event series

Source: techFrederick

Now in its third year, the Techie Awards continue to shine a spotlight on Frederick’s innovators, change-makers, and rising stars. Last year’s celebration brought together more than 130 industry leaders, entrepreneurs, and tech enthusiasts for an unforgettable evening to recognize the people and companies driving our region’s innovation economy. The Techie Awards honor the visionaries who are shaping Frederick’s technology landscape — from pioneering startups and dynamic corporate teams to educators and community champions fostering the next generation of talent. The 2025 ceremony will once again celebrate excellence across multiple award categories, highlighting the creativity, collaboration, and spirit that make Frederick’s tech community thrive.

Celebrate the accomplishments of 2025 and those working behind the scenes to drive innovation in our local community. Sponsorship Levels The 2024 award categories and respective winners include: STEM Student Achievement Award: Yashita Thalla – As a senior at Urbana High School, Yashita holds a remarkable 4.8 weighted GPA and has been recognized at both county and national levels for her STEM accomplishments. Her groundbreaking research on photo-reactivation in bacteria highlights her dedication to advancing science.
